PAVE is the retail environments industry's educational foundation

Founded in 1992, The Planning and Visual Education Partnership's (PAVE) objective is to encourage students to study in the field of retail design and planning and visual merchandising. PAVE seeks to encourage retail management, store planners, visual merchandisers, architects, and manufacturers to interact with and support design students. This is accomplished through PAVE seminars, workshops, the annual Student Design Competition, grants to schools and students, and the annual fundraising Gala.

You can help build the future of retail design and be an innovator in your community by supporting PAVE:

- Join a PAVE committee and get involved!
- Mentor a student, or set up a student internship or shadowing program
- Donate funds to PAVE to support student education
- Set up a student scholarship in your company's name
- Sponsor PAVE events and educational activities
- Support the yearly Gala by purchasing a table, seat, or sponsorship
- Support the PAVE raffle with a prize donation or the purchase of raffle tickets
- Participate in the annual Student Design Competition—become a sponsor or encourage students to enter

Contact PAVE at 954-241-4834 or email pave@paveinfo.org to discuss how you can become involved in PAVE and make a difference to the future of the retail environments industry.

A portion of your contribution to PAVE may be tax-deductible.

PAVE is a 501(c)3 educational foundation administered by the Association for Retail Environments
